

DSV Seminars

2018

UNIVERSITÀ
DEGLI STUDI DI TRIESTE

DIPARTIMENTO DI
SCIENZE DELLA VITA

Master Degree in FUNCTIONAL GENOMICS

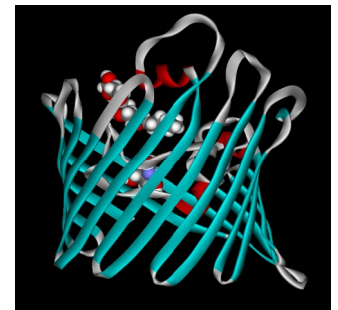

Residenza universitaria "ex Ospedale Militare"
"Sala Cappella"

ERASMUS WEEK – TRIESTE
22nd – 26th October 2018

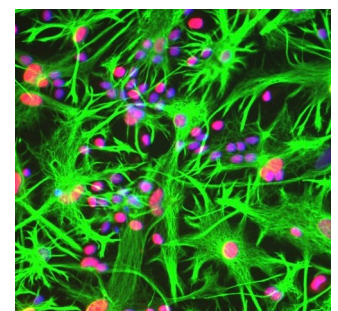

université
PARIS
DIDEROT
PARIS 7

UNIVERSITÉ DE
RENNES 1

**REGULATION OF GENE
EXPRESSION**

The course is part of the Double Diploma program between the University of Trieste and the Universities of Paris Diderot, Paris 7 and Paris Descartes, Paris 5

Monday 22nd October

9.30 – 10.00

Get together: Coffee

10.00 – 10.30

G. Manfioletti

Dept. Life Sciences – University of Trieste

Welcome in Trieste and introduction to the course

10.30 – 12.00

F. Pagani

International Centre for Genetic Engineering and Biotechnology (ICGEB) – Trieste

“Pre mRNA splicing and disease”

14.00 – 15.30

B. Cosson

UMR Epigenetics and Cell Fate, CNRS - Paris Diderot University (F)

“An Angel to supervise ER localized translation”

15.30 – 17.00

E. De Paoli

Dept. of Agricultural, Food, Environmental and Animal Sciences - University of Udine

“DNA methylation: not all about silencing”

17.00 - 18.30

A. Marcello

International Centre for Genetic Engineering and Biotechnology (ICGEB) – TRIESTE

“Host cell defense mechanisms against viral infections

20.30

Get together at Forst Spiller - Riva Nazario Sauro, 14

Tuesday 23^{thrd} October

9.00 – 10.30

C. Brancolini

Dept. of Biomedical Sciences and Technologies – University of Udine

“How activators of transcription supervise repression ”

10.30 - 12.00

S. Zacchigna

Dept. Medical Sciences – University of Trieste

“Novel genes to regenerate old hearts”

15.30 – 18.00

Visit to the Area Science Park

Syncrotron Elettra

Wednesday 24th October

9.00 – 10.30

2008-2018: ten years of Double diploma

J. F. Medina Montero – Deputy Rector for International Mobility, University of Trieste

D. Sblattero – vice Director of DSV, University of Trieste

L. Collavin – Coordinator of the MSc in Functional Genomics, University of Trieste

B. Cosson – Master Degree in Génétiques, University Paris Diderot

G. Manfioletti - Coordinator of the Double diploma, University of Trieste

B. Marini – Double diploma Alumni - Ulisse Biomed – TRIESTE

“ A success story”

10.30 – 12.00

A. Muro

International Centre for Genetic Engineering and Biotechnology (ICGEB) – TRIESTE

“From gene therapy to genome editing with engineered nucleases”

14.00 – 15.30

L. Paillard

Institut de Génétique & Développement – Université de Rennes 1 (F)

“Understanding how RNA-binding proteins (jointly) regulate alternative splicing”

15.30 – 17.30

Poster session

(Building A, second floor)

Thursday 25th October

9.00 – 10.15

E. Buratti

International Centre for Genetic Engineering and Biotechnology (ICGEB) – Trieste

“The emerging roles of RNA metabolism in neurodegenerative processes”

10.15 – 11.30

R. Sanges

International School for Advanced Studies (SISSA)

“Exploring the emerging role of transposable elements in the animal nervous system”

11.30 – 12.45

L. Banks

International Centre for Genetic Engineering and Biotechnology (ICGEB) – Trieste

“The role of Human Papillomavirus in the Development of Cervical Cancer”

Friday 26th October

9.00 – 10.30

Exams (Building A, Aula M)

Social events

Monday morning at 9.30 coffee together (meeting point 9.30 bus stop). Monday evening, pizza at Spiller (free for French and Italian students and speakers participating to the Erasmus week).

Location

Seminars will be held at “Nuova Residenza Universitaria “ex Ospedale Militare”
