Mercoledì 27 novembre 2019

Aula Emiciclo Edificio Q, 1° piano

Ore 11:15 – 13:00

Host: Prof.ssa Aurelia Tubaro

Dr. Claudia Cusan, PhD

European Registered Toxicology

Vice-President S&C BEST Srl

Basic Principles of REACH

REACH is a regulation of the European Union, aimed to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry. It also promotes alternative methods for the hazard assessment of substances in order to reduce the number of tests on animals. Its activities consist in four processes: registration, evaluation, authorisation and restriction of chemicals.
